

Oluwatayo Olajide

Junior Software Developer

I am a penultimate year medical student at the University of Ilorin with keen interest in web development, health administration and governance possessing a track record of service in different leadership roles within my local and national associations (ILUMSA and NiMSA). I am an excellent team player skilled in problem solving, public speaking and relations and paying attention to details. I am currently on my front-end web development journey.

WORK/LEADERSHIP EXPERIENCE

Welfare Secretary

Ilorin University Medical Students' Association (ILUMSA)

01/2015 - 01/2016

Achievements/Tasks

- Led a 9-man Welfare Committee responsible for catering for all the needs of members of the association and acting as a liaison officer in conveying their needs to the College administration via the Executive Council.
- Instituted a first of its kind Special Welfare Project for 200L and 300L students undergoing their 1 month Community Health Posting outside School, to augment their feeding and logistics expenses. The project has remained till date.

Senator

Ilorin University Medical Students' Association (ILUMSA) Senate Council

01/2017 - 01/2019

Achievements/Tasks

- Represented the Interests of my class (constituency) on the Senate Council and channeled their concerns for debate and possible rectification as appropriate.
- Played major roles in the debate that resulted in the development of a new Compendium of the association after three earlier reviews.
- Letter of Commendation from the ILUMSA Senate Council 2017

Treasurer, Standing Committee on NiMSA Games (SCONGA)

Nigerian Medical Students Association (NiMSA)

01/2017 - 12/2018

Achievements/Tasks

- Responsible for fund raising and mobilization for the 2018 NiMSA Games.
- Successfully managed the appropriation of the funds realized and judiciously executed the budget which was a little over 10,000 dollars, and minimizing deficit to the barest minimum.
